PERMITS

- I. A **General Use Permit** grants permission to be in a park or portion thereof on a first come first serve basis. It does not guarantee exclusivity. All walk-in use of the Park falls under General use permission. General use permission is superseded by Exclusive use Permits except for non-reserved areas.
- II. An **Exclusive Use Permit** guarantees exclusivity and may be obtained when:
 1. a reservation is used or
 2. when the probability of a large number of people (25 or more) would preclude coincidental use of a park or portion thereof.
- III. A **Commercial Permit** is necessary for the use of a park or portion thereof for:
 1. Any activity for which admission is charged
 2. A class or course of instruction for which a fee is charged
 3. Commercial movie-making, video taping, or photography
 4. Any activity for which monetary benefit is to be derived directly or indirectly.

Before a Commercial Use Permit is issued, the Commanding General must approve the Commercial Use and an agreement must be signed.

- IV. Other Permits:
 1. Extended Hours
 2. Ground Alteration
 3. Tent
 4. Amplified Equipment
 5. Special Parking
 6. Construction
